

DO YOU HAVE A GAME PLAN?

Snakes & Ladders

GOOD IDEA?
BAD IDEA?

FACT vs. MYTH

HOW TO PLAY:

1. Each player puts their counter on the first space.
2. Take turns to roll the dice and move your counter.
3. If your counter lands at the bottom of a ladder, you must answer a 'Good Idea? Bad Idea?' card. Answer correctly, and you move up to the top of the ladder! Answer wrong and you're stuck. The next turn you'll move to the next space on the board without moving up the ladder.
4. If your counter lands on the head of a snake, you must answer a 'Fact vs. Myth' card. Answer correctly, and you are saved! Answer wrong and you must slide down to the bottom of the snake.
5. The first player to reach the twenty-fifth space wins!
