SIMPLE CONNECTIONS
stronger families

Families provide a source of comfort and security.

All families are unique and will cope differently with challenges.

Family resiliency is your family's ability to cope with life's challenges and to bounce forward from difficult times.

Relationships with caring, supportive people are important for your family's well-being.

What are your family's strengths? Nurture them to help your family thrive.

A family is two or more people who depend on one another. Pets count too!

Every family has problems. Getting through them together makes your family stronger.

SIMPLE CONNECTIONS
stronger families

Be part of your child's activities and school community.

Celebrate the small, good things that happen each day.

Making mistakes is ok. Talk with your child about what they have learned.

Positive parenting builds family resiliency.

Help your child understand and express their emotions.

Decide on rules and consequences and stick to them.

Apologize when you are wrong.

Find creative ways to connect with family (call - skype - facetime - social media - visit).

HOME SWEET HOME

It is a sign of strength to ask for and accept help.

Ask your family elders to share their life stories.

family's resiliency.

Be a cheerleader for the children in your extended family.

Create a family photo album together.

Connections to extended family builds your

Plan events for the whole family to celebrate.
